

New York Orkinators Defeat Toronto
TORONTO, Aug. 15.—Playing against the Toronto Cricket Club the team of the New York Veterans' Association, now touring in Canada, won the first game of their trip by defeating the local players by eight wickets.

NOTES OF THE THEATRE.

Mrs. Thomas Whiffen, about whom there has been a great deal of anxiety in the Frohman offices because of her absence in Europe, reached New York yesterday on the Cedric. Acting one of the principal parts in "The Beautiful Adventure," Mrs. Whiffen will this season make her farewell appearance. Others in the cast will be Charles Cherry, Ann Murdoch and Ernest Lawford.

Mary Nash has not accepted the leading role in "The Trap." She and her sister Florence, who have been spending the summer as the guests of Mrs. Mary Manning Wadsworth at Gross Point, Mich., are planning to star together and have several new plays under consideration.

Joan Sawyer was operated upon for appendicitis yesterday afternoon at the Astor Sanitarium. Miss Sawyer is planning to resume her engagement at the Palace and reopen her Persian Garden late in September.

Evelyn Meads, who for three years has been in vaudeville, was engaged yesterday by Henry W. Savage for the part of Priscilla Hubbard in "Along Came Ruth."

Walker Whiteside, who has spent most of the summer on a motor tour since his return from Europe, will now give him to "Mr. Wu," the Anglo-Chinese play which he is to produce in conjunction with Henry W. Savage.

Cohan & Harris' production of "It Pays to Advertise," by Roi Cooper Magruder and Walter Hackett, begins an engagement at the George M. Cohan Theatre on Labor Day. The cast will include Ruth Shepley, Louise Drew, Cicely Brön, Vivian Rogers, Grant Mitchell, Will Denning, John W. Cope, Robert Harvey, Sydney Seaward, Ellery Clarke, George Schaefer and Roy Fairchild.

Irene Harsmann has been chosen to head the "Kitty Mackay" company that begins its tour at White Plains on Sept. 7.

Marta Oatman has been engaged for the role of Mrs. Nettleton in "A Pair of Socks," to replace Ivy Troutman, who will retire from the cast on Saturday night.

Guy Standing has gone to England to join his regiment.

The opening of the Royal Theatre in the Bronx, taken over by the Kaita interests for vaudeville, has been postponed to Sept. 7. This is necessary because of internal changes being made in the building.

The debut of Sylvester Schaffer and his European company at the Forty-fourth Street Theatre has been postponed from Saturday night of this week until Monday evening. The change has been made necessary on account of the great number of extra rehearsals Mr. Schaffer has been compelled to give because of using many new animals in his scenes.

John C. Fisher has decided to open "What Happened at Twenty-two" at

the Harris Theatre on Friday, Aug. 21. "What Happened at Twenty-two" is by Paul Wilstach, who was business manager of the late Richard Mansfield, and is the author of a dramatic version of "Train." The new play is described as a serious drama of New York life. The leading parts are to be played by Reginald Barlow and Carroll McComas.

SEEK BODY IN CAVE-IN.

Believe Flagman Was Buried When Subway Bank Collapsed.

Sixty men under direction of Coroner Flynn of the Bronx began digging today to find the body of James Morrissey, eighteen years old, who is believed to have been buried by the caving in of the subway excavation at Southern Boulevard and One Hundred and Forty-second street during yesterday afternoon's rainstorm. When the bank fell there were four men at work in the cut; they all got out safely.

Morrissey was flagman on the construction track at the edge of the ditch. Nobody saw him fall into the hole and it was not until the contractors learned that he had not been home last night that word was sent to the Coroner. There are thirty-five feet of dirt over the bottom of the cut.

Veteran Editor Dead.
KANSAS CITY, Mo., Aug. 12.—Vincent J. Lane, a pioneer editor of Kansas, died at his home here to-day. He was eighty-six years old. He published for nearly forty years the Wyandotte Herald, which he established in 1871 and became the name of his retirement in 1910, declining to sell the paper for sentimental reasons.

Don't Poison Baby.

FORTY YEARS AGO almost every mother thought her child must have PAREGORIO or laudanum to make it sleep. These drugs will produce sleep, and A FEW DROPS TOO MANY will produce the SLEEP FROM WHICH THERE IS NO WAKING. Many are the children who have been killed or whose health has been ruined for life by paregorio, laudanum and morphine, each of which is a narcotic product of opium. Druggists are prohibited from selling either of the narcotics named to children at all, or to anybody without labelling them "poison." The definition of "narcotic" is: "A medicine which relieves pain and produces sleep, but which in poisonous doses produces stupor, coma, convulsions and death." The taste and smell of medicines containing opium are disguised, and sold under the names of "Drops," "Cordials," "Soothing Syrups," etc. You should not permit any medicine to be given to your children without you or your physician know of what it is composed. CASTORIA DOES NOT CONTAIN NARCOTICS, if it bears the signature of Chas. H. Fletcher.
